

APOLLO REACH HOSPITALS, KARIMNAGAR REPLACED

FROM : MY STORY -SURYA PRAKASH (Patient)

GOOD MORNING TO ALL.

I am 52-year-old man had family comfortable lifestyle by fairly satisfied with my life. Pain started in my left knee about 3 years minimal insidious in onset relieved with medication and rest. The pain was severed since 6 months.

I have opted for the left total knee replacement. The surgery is going well. I was operated on 28/08/2022 by Dr. Venkat reddy, it has gone off like a peach and I recovered very well.

The next day I was transferred to the Special ward, I was looked after very well by the kindly nursing staff, Physiotherapist. I made an excellent recovery and am discharged to be going home today.

I thanks to Apollo Reach Hospital Dr. Venkat Reddy and his team for the wonderful way they treated me.

Thanking you.
